

Nevada County Geographic Information System

D. Digital Spatial Data

The data will be provided in standard county GIS format via email. Additional charges (by the hour or portion of) will apply when requested to provide information for a specific geographic area (“Fee per Map”) or for data layers not listed. Requester will be required to sign a license agreement prior to receiving digital data. All data is the property of Nevada County and may not be reformatted, sold, or distributed in any form to another person or entity except by express written consent of the GIS Division or County Administrator.

Nevada County Digital GIS Layers and Files Available

		Fee for entire county	Annual Maintenance (%25)	Fee per Map (6-square miles)
Vector Data Layers (Shapefile)				
1	City Boundaries with Spheres of Influence	\$25	\$6	NA
2	Hydrology (Rivers, Lakes, etc.)	\$100	\$25	NA
3	County – Boundary	\$25	\$6	NA
