

IMPORTANT CHANGES TO THE CHILD SUPPORT PROGRAM!!!

Federal law now requires one place for handling child support payments.

To meet these requirements, payments will be handled by a new office called the California State Disbursement Unit (SDU).

Changes For People Who Pay Child Support:

- If your support payments are withheld by your employer, they will be posted to your account when received at the SDU
- If you pay support directly to the Local Child Support Agency, your payment must be received by the 20th of each month
- Starting June 2006 all payments will be sent directly to the SDU

Future Benefits:

- Get up-to-date information from an automated phone system
- On our new website (www.casdu.com, available November 1, 2005) you can:
 - ✓ Get answers to frequently asked questions
 - ✓ Find SDU general information
- Pay support via the Internet using a credit card or electronic transfer
- Pay support by phone using a credit card or electronic transfer
